● GUIDELINES FOR SUBMISSION OF PAPER FOR AWARD

IAP NRC - PedDPULMOCON 2025 is proud to announce Award for original research paper in the field of Pediatric Pulmonology. Three selected award papers and Eighteen selected Free Papers will be presented in the main scientific halls and the remaining papers can be presented as E-posters. The award papers will be given First, Second, and a Consolation prize.

The Award category is as follows:

IAPNRC RESEARCH AWARD FOR YOUNG PEDIATRICIANS

Eligibility

- Students and Pediatric residents (within 2 years of finishing their residency)

Rules for submission

- A structured ABSTRACT with the following subheadings
 1. Background
 2. Objectives
 3. Methods
 4. Results
 5. Conclusion
- Word count of abstract should not exceed 300 words
- Abstract should not contain any tables, graphs, images or illustrations
- Four authors (Presenter+3 co-authors) are allowed per paper. Clearly identify the person who will present the paper (who will be the lead author and contact person by default) and the said person has to be a registered delegate at the Conference

Process of award paper presentation

- The paper submitted for the Awards will be judged by a panel of judges nominated by RESPICON scientific committee.
- The paper selected for Award will be presented at the conference and 7 minutes will be given to each presenter
- The judges reserve the right to disallow the presentation of the award paper if any technical lapse in the concerned paper is brought to their notice at any time before presentation. The decision of the panel of judges will be final and binding on all concerned.
- The research work on which the paper for award is presented must be the original and direct work undertaken by the main author (principal investigator). If at a later date it is detected that the work was not done by the person himself or herself, stringent action will be taken by the Executive Board which can include withdrawal of such an award with public intimation.
